TEACHING TYPING SKILLS SINCE 1995

KAZ to exhibit at BDA International Conference and Expo 12-14 April 2018

Come and see us, Stand 5 at the International Conference Centre in Telford. We will be showcasing our full product range including our new inclusive Corporate edition - designed for businesses. If you would like to pre-book an appointment with a member of the KAZ team please email us at: info@kaz-type.com

BDA International Conference
and EXPO 2018

So, what's happening at KAZ?

Along with completing our product range - we now have both our Standard and Corporate versions available in SCORM for LMS format. Both incorporate our ©Preference Screen and cater for all learners.

Our software is now ready with RUnify - so if you want to connect via single sign on and are with RUnify - please contact the team at RM.

We are also pleased to say that the American Dyslexia Association were so impressed with our product, they started a blog. Please follow the link to view:

<http://www.dyslexia.me/kaz-sen-dyslexia-typing-software/>

KAZ are an affinity partner of the BDA and are also pleased to support the Malaysian Dyslexia Association and of course the Dyslexia Research Trust.

We are also thrilled to confirm...

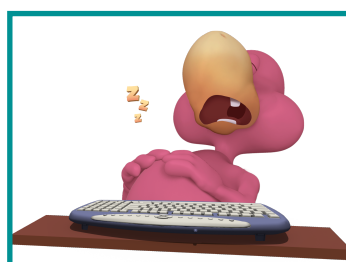

- bizziebaby award for our Junior edition
- Voted #1 by Course Lounge for best typing tutor in 2018...

Recommended by theschoolrun.com, the [Old Schoolhouse magazine](http://OldSchoolhouseMagazine.com) and recently approved for sale by aladinstreet.com amongst many, many others.

We still have more new products to come, which we hope to release by the end of the summer - so wake up KAZ - lots to do...

Thank you to everyone for your support

Why do so many people use KAZ?

- Because the program caters for all abilities.
- Its accelerated learning teaching method works.
- It offers options of both 'Standard' or 'SEN/Dyslexia' versions.
- Its focused but light hearted approach.
- It has a Junior edition available.
- Because it WORKS!
